Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner Cruz contacted Mr. Parson to get authorization to amend the Application by examiner's amendment incorporating subject matter from claims 12, 22, and 30 into the independent claims they each depend upon. The examiner provided Mr. Parsons with the US patent No.s above and discussed possible rejections if an amendment did not result from the interview. Mr. Parson kindly agreed to contact his client and get authorization for the examiner's amendment, and promptly contacted the examiner back. Mr. Parson authorized the amendments found herein in the Notice of Allowance, and made himself available for the examiner to discuss the Application. .
